The personal information we have collected from you will be shared with fraud prevention agencies who will use it to prevent fraud and money-laundering and to verify your identity. If fraud is detected, you could be refused certain services, finance or employment. Further details of how your information will be used by us and these fraud prevention agencies, and your data protection rights, can be found

In order to process your application we will supply your personal information to credit reference agencies (CRAs) and they will give us information about you, such as about your financial history. We do this to assess creditworthiness and product suitability, check your identity, manage your account, trace and recover debts and prevent criminal activity. We may also search the files of the Land Registry.

We will continue to exchange information about you with CRAs while you have a relationship with us, including about your settled accounts and any debts not fully repaid on time. Your data will also be linked to the data of your spouse, any joint applicants or other financial associates. The CRAs will have to place a search footprint on your credit file when we make a search and this may be seen by other lenders.

The identities of the CRAs, and the ways in which they use and share personal information, are explained in more detail at [www.experian.co.uk/crain](http://www.experian.co.uk/crain) (<http://www.experian.co.uk/crain>) or [www.equifax.co.uk/crain](http://www.equifax.co.uk/crain) (<http://www.equifax.co.uk/crain>) or [www.callcredit.co.uk/crain](http://www.callcredit.co.uk/crain) (<http://www.callcredit.co.uk/crain>).
