☐ **6 months**

! Important: If you don't pay the total amount of credit in full by 29/09/2020 interest will be charged from the date of purchase on the outstanding balance and will be payable as part of the monthly payments. Interest will not be charged on any amount you have paid by this date even if the amount you pay does not pay the total amount of credit in full. Your first monthly payment will be due on 01/11/2020
