What's Next

① Apple Sends You a Replacement

After the details of your request are confirmed, you will receive a replacement from Apple in 3-5 business days. Please check your box or envelope for return shipping instructions.

	AirPods, 2nd gen, Left, INT, AEX Replacement

② Need to Return Original?

For some replacements, you must return your original product in 10 business days of shipping the replacement product to you. Otherwise Apple will charge your credit card a non-return fee corresponding to the full value of the replacement product. For prepaid AirPods replacement, no return is required.
